Dear Colleague:

Volunteers are the foundation of the Judges and Lawyers Assistance Program. JLAP depends on the many dedicated lawyers and judges who generously give their time to help colleagues who face alcoholism, drug addiction, mental and physical health problems, and age related issues.

JLAP invites you to attend one of our Volunteer Training Sessions, scheduled over the next few months, and learn about our services, gain a better understand the issues facing the legal profession, and learn how to help colleagues and friends.

The cost for the training is \$75 and includes lunch and CLE credits (exact number to be determined.) The training begins at 12:00 P.M. with a light lunch and will conclude at 5:00 P.M.

We urge you to come and learn more about how our program works to address these problems before they jeopardize a lawyer's practice, a judge's career, or a law student's education. JLAP offers confidential assistance to all of these people but cannot serve them effectively without the assistance of concerned and well trained colleagues.

If you are already a JLAP volunteer, we strongly recommend continued training to learn about new resources and the emerging issues we see in those we help. The Volunteer Trainings also provide the opportunity to meet and connect with other volunteers in your area. When the need arises, it is vital that we have trained volunteers ready to serve.

Please register for one of the upcoming trainings as soon as possible, as space is limited.

Lunch and Training - \$75
Ability to assist a colleague - Priceless!

Regards,

JLAP Volunteer Training
